

EVERYONE WINS!

- Your town **SAVES**
- Your school **EARNS**
- The **environment** **BENEFITS**

"I LOVE THIS PROGRAM. Beverly Public Schools and the Beverly Educational Foundation have seen substantial income already. With each pickup, we save the city in tipping fees! AND as if those two things are not enough, with each non tipped item, we save the environment by NOT incinerating. What's not to love? Thank you Bay State Textiles!"

"The Town of Lexington has been in partnership with Bay State Textiles since 2014. At first there was some skepticism regarding how much of an impact this would have on our custodial staff. I am happy to report that this has not been an issue whatsoever as the program actually runs itself...It's a win-win for all involved."
