We, the undersigned, petition the Sharon Select Board to call a Special Town Meeting, as provided by MGL Chapter 39, Section 10.

The following subject shall be placed on the warrant for the Special Town Meeting:

To see if the residents of the Town of Sharon will vote no confidence in the following five members of the current Sharon School Committee: Daniel Newman (Chair), Adam Shain (Vice Chair), Allan Motenko (Secretary), Julie Rowe and Avi Shemtov

RATIONALE: The actions of these five members of the Sharon School Committee have demonstrated a pattern of conduct inconsistent with the standards of transparency, community engagement, integrity and ethical governance that Sharon residents expect of their elected officials. Specifically, residents have raised serious concerns regarding the conduct of these School Committee members in connection with the appointment of the district's next superintendent. Their conduct has eroded public trust, destabilized the district and disregarded the educational welfare of Sharon students and staff. The residents of Sharon hold their public schools among their highest civic priorities. The conduct of the named School Committee members places that priority at risk.
