

The illustration features a central orange sun with yellow rays emanating from it. The sun is partially obscured by a large orange pumpkin with a green stem and a small squirrel with a red and white body, sitting on the right side of the pumpkin. The background is a light beige color with a decorative border in shades of orange, red, and blue. The word "Fall" is written in a large, elegant, dark brown script font, and "BROCHURE" is written in a bold, dark brown, blocky font. The year "2026" is written in a smaller, dark brown, blocky font. There are several autumn leaves scattered around the central elements.

Recreation Information

The Sudbury Recreation Department and Atkinson Pool uses an online registration system called MyRec. All participants must have an active MyRec account to register for programs. Please visit www.sudburyrec.com to create an account and register! If you need assistance, you are always welcome to come to the Recreation Office or call us at (978) 443-1092

All programs have a minimum number of participants required for the program to run. Programs may be canceled due to low enrollment, so don't wait to register!

Code of Conduct

We ask all participants to respect the staff, other participants, ages requirements, and the equipment. Please refrain from causing harm to self, others or property and from using foul language.

Bullying WILL NOT be tolerated.

Additional rules will be announced at each program. If a participant fails to cooperate with the rules, we reserve the right to dismiss or suspend a participant with no money refunded. Each situation will be evaluated by the Recreation Staff.

Photo Policy

The Recreation Department and/or press will take pictures and videos on occasion of participants for publicity purposes and for local cable. If you do not want to have your child(ren) photographed/videoed, please inform us in writing within at least 24 hours prior to the start of your program with a photo of your child included.

Refund Policy

Unless otherwise specified in the program description (online), the Sudbury Park & Recreation Refund Policy is as follows:

- If programs are cancelled, full refunds will be issued.
- Missed classes will be made up at the end of the session if possible. If not possible, prorated refunds will be issued.
- If programs are cancelled due to low enrollment or other circumstances beyond the registrant's control, a full refund will be issued.

Inclusion Statement

In the case of recreational programs, inclusion is supporting all participants, instructors/staff and the system as a whole so that the full range of participation need can be met. Focusing on good instructional strategies that will benefit all learners.
